OUR ASSISTED REPRODUCTION SERVICES

Gestational Surrogacy Program

We offer a full service surrogacy program which includes identifying a surrogate for you and walking you through each and every step of the process as listed below:

- *Coordinate comprehensive surrogate screening: background check, prenatal/labor and delivery records, psychological evaluation, and medical evaluation by your doctor*
- *Review and coordinate medical insurance options*
- *Draft gestational carrier contract and negotiate on your behalf, provide your surrogate with experienced review attorney referrals for a quick turnaround*
- *Establish and maintain surrogate's trust account to pay expenses, compensation (if applicable), and insurance premiums as necessary*
- *Work closely with your doctor to coordinate calendars, medications and embryo transfer, and surrogate travel arrangements as necessary*
- *Prepare all court documents necessary to establish parentage*
- *Work closely with you and your surrogate to develop the hospital plan, coordinate this plan with the hospital, and ensure that all goes smoothly at delivery*
- *Provide ongoing legal consultation and advice throughout the surrogacy process**

Surrogacy Management Services

If you have already found a surrogate, we can assist you with as many or as few of the steps in the process as you wish.

You choose from the options above based on your individual needs.

Contract Drafting

Egg Donation, Sperm Donation & Embryo Donation

Our assisted reproduction contract drafting has been refined over the past 27 years to cover and preclude the many issues which may arise.

We have extensive experience working with same sex couples on donation contracts and co-parenting agreements. We can advise you on all of your legal options.

Contract Reviews

Donation & Agency

We provide contract review services, identifying contract provisions that may need special consideration or protections that may be missing from your contract.

Legal consultations always are customized for your specific needs. Unique situations are our forte. Because we recognize that timing may be crucial, we strive to complete your review within a very short period of time.

Adoption Outreach

Our firm also provides adoption outreach services, matching adoptive parents with a birth mother looking to place a child for adoption.

Our team of experts will walk you through every step of the process.
